

## Advantage+

### Quantum Sign Company has partnered with Advantage+ to provide financing options for your sign package.

#### The Advantage+ Advantage

Established in 1992, Advantage+ is an equipment finance company headquartered in Brookfield, WI and with a satellite office in Green Bay, WI. Advantage+ is pleased to be a direct lender offering attractive, flexible, financing options to businesses of all sizes throughout the United States.

Our "Common Sense" approach to financing and has earned an A+ rating with the Better Business Bureau, and positive satisfaction ratings from all the customers who've responded to our "after funding" surveys...90% rating their experience as excellent.

Because we are a direct lender there are no broker fees and we hold all of our loans in our own portfolio. Our capital base allows us to have competitive rates, flexible finance structures and personalized service. Of special note is the fact that we are one of a few to offer a No Prepayment Penalty for customers choosing to pay off their loan early. We also offer customization and restructuring options as business conditions change.

Our goal with each customer is to build a long-term mutually rewarding relationship in which we can provide an ongoing source of capital.

#### Why should you consider financing your sign project through Advantage+?

- **Added Credit Availability**  
Bank credit lines are not affected, so you retain your bank borrowing capacity for other needs.
- **Conserves Working Capital**  
Finance 100% of the sign cost, leaving precious working capital for other needs.
- **Improves Cash Flow**  
Financing allows you to pay for the sign as income is earned from its use.
- **Tax Deductible**  
In many cases, financing can be treated as a fully deductible expense.
- **Simplifies Budgeting**  
Budgets can more readily accommodate monthly payments than a large cash expense for purchasing fixed assets.
- **Fixed Rate Financing**  
This allows you to know exactly what your expenses will be over the term of the loan.
- **Quick, Easy and Less Expensive**  
The whole finance process is faster, simpler, and often less costly than other financing alternatives.
